PTMUN'22

— LET DIPLOMACY PREVAIL —

FEBRUARY 19 | 20 2022

Dear Sir/Madam,

We cordially invite you to Pak-Turk Maarif Model United Nations (PTMUN) for the year 2022, hosted at Pak-Turk Maarif Boys Campus Lahore on the 19th and 20th of February.

At Pak-Turk Maarif, we are committed to revolutionizing and reconstructing the thoughts of future leaders. We wish to utilize this platform to emphasize and solve global issues. Keeping these ambitions in mind, we are excited to announce this year's theme: "Peace, Justice, and Strong Institutions."

With the pandemic revealing the shortcomings of our justice systems, and the institutional discrimination of marginalized communities, an emphasis on equity and peace building is important. The UN Sustainable Development Goal 16 is a thread of hope we cling to, which aims to promote peaceful and inclusive societies for sustainable development; provide access to justice for all; and build effective, accountable, and inclusive institutions at all levels. Our ultimate goal is to champion representative policy changes and ensure responsive global citizenship within our delegates.

We aim to provide the students with a comfortable and encouraging environment where, under the guidance of experienced chairs and their peers, they will have a chance to polish their critical thinking, debating, and team-building skills. PTMUN's management will be delighted by the participation of your distinguished institution. Let's embark together on a thrilling and memorable journey of knowledge and fun.
